to be helped, to receive help = process by which humans receive assistance or supported from other humans or deities

1CH 5:20 · 2CH 26:15 · PSA 28:7 · DAN 11:34

Safe | verb qal, verb hif

to help, to assist, to support = action by which humans or deities provide assistance or support to (other) humans ► in order to make their life, work, task or situation easier (1) When verb has a human subject, it is often used in a military or political-national context, which connects with the substantive uses of the verb to refer to allies: ‘helper’/‘ally’. (2) Is also used in a socio-legal context, with both human and divine subjects, to refer to the activity of protecting or defending someone as ‘defender’.
